

FOR IMMEDIATE RELEASE

NOVATEK Receives the Top Two Positions at the MarCom Awards

Moscow, 6 November 2019. PAO NOVATEK (“NOVATEK” and/or the “Company”) announced today that the Company received notification as a multiple winner of the International MarCom Awards competition. The Company’s Sustainability Report 2018 received the top two positions – a gold award in the category “Best Writing” and a platinum award in category “Best Design”. The MarCom Awards recognizes outstanding achievements in marketing and communications.

“NOVATEK’s Sustainability Report 2018 demonstrates our commitment, transparency and willingness to address important questions in a thoughtful and thorough manner on environmental, social responsibility and corporate governance issues,” noted NOVATEK’s Deputy Chairman of the Management Board Mark Gyetvay. “We are honored that our Sustainability Report 2018 was recognized and awarded by such a professional association, as it demonstrates how we effectively communicate sustainable development and environmental stewardship as one of the key channels of stakeholder engagement.”

Note

The MarCom Awards, held annually by the Association of Marketing and Communication Professionals (AMCP), is one of the oldest, largest and most prestigious creative competitions in the world in the field of corporate communications. Each year about 6,000 print and digital entries are submitted from dozens of countries.

NOVATEK’s Sustainability Report 2018 is downloadable on the Company’s corporate website.

PAO NOVATEK is the largest independent natural gas producer in Russia, and in 2017, entered the global LNG market by successfully launching the Yamal LNG project. Founded in 1994, the Company is engaged in the exploration, production, processing and marketing of natural gas and liquid hydrocarbons. The Company’s upstream activities are concentrated mainly in the prolific Yamal-Nenets Autonomous Region, which is the world’s largest natural gas producing area and accounts for approximately 80% of Russia’s natural gas production and approximately 15% of the world’s gas production. NOVATEK is a public joint stock company established under the laws of the Russian Federation. The Company’s shares are listed in Russia on Moscow Exchange (MOEX) and the London Stock Exchange (LSE) under the ticker symbol «NVTK».
